PURPOSE

shows the abilities of using:

1. Redux saga (CRUD with DB)
2. Firestore
3. Material UI
4. Host on Firebase
5. RWD
6. theme

PLAN-A

A product promoting site, where users can create, like and comment on the product ads.

Home page - a list of ads, create ad button, like ad button

Pop up - ad details(with video/img), see info button, like ad button, comment ad button, show a list of comments

GrowViral

Scroll and click to see the ads from local business. Lets help each others to get through this tough time :-)
